Board Formation and Governance

- Paul, Tony, John and Jackie attended the FSF meeting.
- Supporter's Board agreed to find the best balance for LCFC between the FSF model and Operations heavy agenda initially undertaken.
- General consensus was to look after supporters as well as ask the Board (via Liam) probing questions similar to a governing body. This is aligned to the FSF model.
- Supporter's Board to act on enquiries. Supporters to email feedback@lincolncityfc.co.uk for requests regarding stadium issues (e.g. toilets).

2018-19 Ticket Pricing/Stadium Set Up

- Change of stadium set up. Bridge McFarland and Lower 1 of the Coop to house the Junior Imps next season. This means that STH's in the BMcF Stand will also be displaced.
- New Lounge (Legend's Lounge) to be introduced in the space currently occupied by the Dance Centre. ST's in this area will start at £525. These will be seated in the Coop Upper 2. STH's in this area will also be displaced.
- STH's who will be moving will have a 'closed group offer' when choosing another area in the ground.
- Adult renewal price to start at £329
- Eventbrite fees and card fees will be included in the new pricing structure face value.
- Zebra finance will be available once again for STH's.
- Season Tickets will be paper based where a PDF form must be downloaded from the website.
- Away fans will be in the Stacey West Stand with a sliding segregation to accommodate home fans when the away support is smaller.
- Season Ticket cards will have different colours for different categories. Policing of purchases categories will be much stronger due to volume buying out of category.
- A Young Adult (18-21) price will be introduced to replace the 'Student' ticket type. This will bridge the gap between a Junior price and an Adult ticket price.

Fans Survey

- The questions are complete. We are just waiting from Simon Walters from the City Council regarding car parking.
- Once those questions have been added it will be sent out members of the Supporters Board for testing.

Training Ground Update

- £1.3m development.
- The pitches will be ready for the start of pre-season with the building aiming to being ready sometime between preseason and the start of the season.
- Youth Team – Bishop Burton/Riseholme College

AOB

- Concerns were brought up regarding the 'End of Season' Awards. Discussion had.
